

We want every child and youth living in foster care to have an advocate - so we are **Going Blue for CASA!**

Court Appointed Special Advocates (CASA) for Children of Atlantic and Cape May Counties recruits, trains and supports volunteers who are court advocates for children living in foster care right here in our community.

Add your voice to supporting children and youth living in foster care by **“Going Blue for CASA”** during April’s Child Abuse Prevention Month

All proceeds will help provide a court advocate to children and youth living in foster care in Atlantic and Cape May Counties.
